Listen carefully to one another. Seek to understand and discover how you can meet your spouse's needs more effectively.

## THE RESULTS

**Which love language received the highest score?** This is your primary love language. If point totals for two love languages are equal, you are "bilingual" and have two primary love languages. And if you have a secondary love language, or one that is close in score to your primary love language, this means that both expressions of love are important to you. The highest possible score for any single love language is 12.
