

SERMON RECAP: WHAT DID THE TEXT MEAN? WHAT DOES IT MEAN?

Celebrating the wins in the life of your children is a big deal in parenting. As parents, we should make it a priority to celebrate the changes in the lives of our kids (i.e. attitude, behavior, ownership, character). Our objective is for our kids to be thoroughly equipped and ready for whatever life brings their way.

- How did your 2nd faith talk go this week?

THE TEXT: WHAT DOES IT MEAN FOR ME?

Read:

Before arriving at group this week we were asked to read Day 5 through Day 10 of the Next Gen reading plan.

Study:

As you read during each day, you wrote down the answers to the following questions in a journal and came to your group ready to discuss your insights from your reading.

If you had to give yourself a letter grade (A-F) based on your level of priority in obey the command or following the example you identified, what grade would that be?

Memorize:

Take 5 minutes and have your group members to practice reciting what they have memorized through the 5-1-1 campaign.

Meditate:

Answer the following questions and then commit to meditate and act on them during the coming week.

- What do you need to do this week to obey what you've learned?
- How can you share what you've learned in your weekly Faith Talk?
